Household Hazardous Waste Day Scheduled for September

The Allegany County Department of Public Works is announcing its 23rd Annual Household Hazardous Waste Collection Day to be held September 10th, 2022. The collection will be held from 8:00 a.m. to 12 noon at the Belmont Transfer Station. Some of the items accepted include oil-based paints, insecticides, poisons, pesticides, solvents, and pool chemicals.

Pre-registration is required and only Allegany County Residents can participate. Common household products with warning labels that read danger, poison, and caution are considered potentially hazardous and should not be casually thrown in the garbage.

For questions on household hazardous materials or to register for this year's event give Tim Palmiter a call at 585-268-7282 or email palmitt@alleganyco.com
